SUBJECT: Important Notice – RBK and CCM Hockey Helmet Recall

Ladies and Gentlemen

Health Canada has issued a notice with respect to a recall on ***certain models*** of RBK and CCM helmets. It has been found that the chin strap of the recalled helmets may disengage while being used by consumers. If the chin strap disengages, the helmet can fall off, posing a potential safety hazard.

Note that Health Canada has not received reports of incidents or incidents to Canadians related to the use of these helmets to this point.
