Call Up Procedures:

Teams wishing to use affiliated players **must first call the coach** or manager and get permission to use the requested player.

The player card should accompany the player and should be given to the League Convener prior to the game. "AP" must be shown on the game sheet.

An affiliated player is not allowed to play more than five (5) league games or playoff games after January 10/09.

Exhibition games and or tournament games are excluded. The NOHA Tournament of Champions are considered playoffs.

Prior to January 10th "AP" player needs permission from coach to play in game.

After January 10th if "AP" does not have their player card for the referee to sign they will not be allowed to play in that game.

For out of town tournaments – any team taking an "AP" must take the "AP" player card and the Sault Major Affiliation Declaration.

If teams request an "AP" and the coach denies the request, please inform Wil Campbell.
